Here is How The **50Cents2Freedom** Compensation Plan Works.

The **50cents2freedom** compensation plan is a very lucrative and exciting compensation plan based on a simple 12 tiers, 2x2 Team forced matrix of positions and not of people. It's the Ad Packages which are bought by you and your network that comes as positions which helps fills the matrix. All of the 12 Matrixes work similarly, just that the Package cost and the earning amount are different.

The 2x2 matrix is one of the simplest and fastest paying Matrix ever. Both newbies and leaders can earn incredibly amount of money with this matrix and it comes with lots of spillovers and spill under's that help members complete their matrixes faster.

Here Is How This Works

Thus, in total the 2x2 **50cents2freedom** matrix houses six Paylines. The first two Paylines goes to your upline sponsors.

The second level of the matrix is generated by splitting these first two positions into another two positions each, for a total of six positions. Positions in the matrix are filled by subsequent position purchases by new and existing **50cents2freedom** members

JOIN OUR TELEGRAM GROUP: https://t.me/cents_50cents2freedom

Two Paylines below your position paid to your upline sponsors, then 4 Paylines below those two positions become your paylines and are paid to you. When all positions in the matrix are filled, a **"CYCLE"** is triggered and commissions are paid out while you get a new entry into the next matrix under your sponsor again to start earning perpetually. This goes on and on and on to infinity!.

SPILL OVERS AND SPILL UNDERS:

In a 2x2 forced matrix if you uplines were to get a 3rd position in their first level, that 3rd position will be automatically be passed through to help fill his 2nd level and becomes their payline. Effectively anyone could sign up for a 2x2 forced matrix opportunity, do nothing and have their matrix filled by those above you and below you. Obviously the more work you do the faster you cycle and the more often you get paid. The great thing about the 2x2 matrix is that those above you helping you fill your matrix and those below you also helping you fill your matrix faster by growing their own matrix.

The Massive 100% Matching Bonus...

Along with our perpetual money making matrix commissions each time you cycle a matrix, there's also a massive matching bonus commission offered by **50cents2freedom** to their members. Can you imagine earning a whole 100% commission on all your sales reps? If you are a good sponsor, do you know how much in \$\$\$ that could translate to? No wonder some members made over \$80,000 in few weeks with similar systems out there!!

This has been designed to encourage members to directly recruit members and not just sit around waiting for others to do the job for them. The matching bonus pays out a massive 100% of the matrix earnings of those members you directly sponsored into the platform.

FOR EXAMPLE:

Whenever your referral position completes a cycle. You earn EXACTLY 100% of what they earn.

- ◆ If they earn \$200 You Get Paid \$200.00 Matching Bonus!!
- ◆ If they earn \$500 You Get Paid \$500.00 Matching Bonus!!!
- ◆ If they earn \$1,000 You Get Paid \$1,000.00 Matching Bonus!!
- ◆ If they earn \$2,500 You Get Paid \$2,500.00 Matching Bonus!!

And the best part of it all is that, the matching Bonuses is continuously paid out not just once but every time they cycle a position.

Everytime, your direct referral cycles a position . you get paid 100% Matching and when they get a re-entry and cycles that matrix again, you also get paid another 100% Matching. This goes on and on and on until you will pay all those your nasty bills and achieve financial independence!!

So What Makes **50Cents2Freedom** 2x2 Forced Matrix Business Model So Much Better Than The Rest?

A 2x2 forced matrix program has many positive attributes which make success a lot easier than other programs:

1. Getting people to join is easier - as they perceive less effort to achieve success than other larger matrix programs.
2. Retention - people are less likely to drop out once they have recruited their 2 people, especially if the matrix has an automatic entry into the next phase once you have cycled.
3. Forced Filling - You enjoy spillover from your up line helping you fill your matrix.
4. Paying - with fewer people needed to achieve your targeted effort, it should be highly achievable meaning you get paid faster
5. 2 x 2 matrices follow your sponsor. Once you cycle, you are automatically entered into the next matrix following your sponsor.

50Cents2Free Payplan is absolutely one of the BEST 2x2 Cycler We Have Ever Seen. No Sponsoring Required! There is an Unlimited 100% Matching Bonus from all the matrixes. Even People Who NEVER PAY Anything Can still make Money. YES, FREE People Can GET PAID Anywhere in the World.
